All In

The Future of Business Leadership

David Grayson, Chris Coulter and Mark Lee

Written by three leading thinkers in the field of sustainability, *All In* identifies the essential attributes of high-impact corporate sustainability leadership and describes how companies can combine and apply those characteristics for future success. *All In* draws on the perspectives of thousands of experts globally and reveals insights from dozens of interviews with Chairs, CEOs and Chief Sustainability Officers of pioneering companies. This unique book offers current and aspiring business leaders a succinct overview of the most important developments and trends in corporate sustainability and responsible leadership.

"All In provides very useful insights for management thinking and helps define what a successful and purposeful business looks like in the future."

- *Dominic Barton, Global Managing Partner of McKinsey & Co*

"All In is required reading for leaders from all disciplines – business, non-profits, academia, government – to better understand the potential and necessity of an engaged and responsible private sector to create the future we want."

- *Rt. Hon. Joe Clark, former Prime Minister of Canada*

"All In does an outstanding job mapping best practice in corporate sustainability. While most past leadership examples feature European and North American companies, the lessons are universal, making the book a perfect primer for business leaders globally seeking to make sustainability core to how they manage their company in the future."

- *Clarissa Lins, founder of Catavento Consultoria, Brazil, and Member of the Sustainability Committee of Vale*

"All In provides a critical contribution to why and how business needs to commit to sustainability at pace and scale in the coming years; this should be required reading for the next generation of business leaders."

- *Liz Maw, CEO, Net Impact, the global community of students and professionals who want to become the most effective change agents they can be*

"All In is an accessible account of the landscape and the activities of vanguard companies and individuals seeking to embed strategic sustainability in their organisations. I'd like to think it is not a coincidence that many of them have participated in a CISL Sustainability Leadership programme over the past three decades!"

- *Dame Polly Courtice DBE, LVO, Director of the University of Cambridge Institute for Sustainability Leadership (CISL)*

"At Unipart Group, we aim to keep abreast of the very latest in management thinking and practice. All In offers a fascinating perspective for any business that wants to prosper in the future."

- *Dr John M. Neill CBE, Executive Chairman, Unipart Group of Companies*

"The Asian Institute of Management is committed to helping build Enterprises for Society. All In shows businesses just how to be an enterprise for society and more. The book illustrates global good practices with rigour. It hits the management sweet-spot!"

- *Dr Jikyeong Kang, President and Dean, Asian Institute of Management, Manila*
